

## Forum for Awareness of National Security (FANS) Hyderabad Chapter

**Under Forum for Awareness of National Security (FANS) Hyderabad Chapter**, a conference was held on **Uniform Civil Code** in the name of "**One Nation One Law**" on August 9, 2023 at Minerva Grand Hotel, Hyderabad.

Indresh Kumar ji (RSS National Executive Member) was the keynote speaker at this event and he touched upon various aspects to help people understand what UCC is, what it has in store for us and also emphasised on the need for a common citizenship law especially in the current situation. He also mentioned that various faiths & religious beliefs are part of this nation since time immemorial & since some groups are trying to damage the integrity of this country by creating confusion about this law, it is important that we all know what it is. He said that the common citizenship law is most necessary to chalk a brighter future of this country.

The laws built on the basis of the foundations of this country protect the integrity of the country. He also reiterated that whether we agree or not, the DNA of all citizens across these nations which were part of akhand bharat is one and the same. Indresh ji requested all participants to put their views forward to law commission and also seek for a personal group interaction and papers to present their views or clarify their doubts on UCC.

Raka Sudhakar ji, a senior journalist and eminent speaker who was the guest of this program said that many laws brought by the British in this country have tried to appease some sections and groups of this country. He explained the history of the need for Uniform Civil Code. He gave multiple examples and Emphasised that the Common Citizenship Act is useful in improving the way of life of the people of the country.

He explained that some forces are trying to create confusion by linking religion to God's belief and way of life. He mentioned that the Uniform Civil Code does not cause any disturbance to spiritual beliefs and religious matters. There have been many distortions in history and they can be corrected through the common citizenship law is what he said. He also mentioned that the integrity of the country depends on Wellbeing of everyone.

Also, another guest who participated in this program Mrs. Zaheera Begum explained how the rights of Muslim women can be protected through this Uniform Civil Code . She explained how much the Uniform Civil Code contributes to the empowerment of women, in matters of marriage, inheritance, property etc. To providing equal Justice , empowering women and all sections of society with uniform law etc.
